

# NCFE L2 CERTIFICATE IN PERFORMANCE SKILLS

**Exam board:** NCFE

**Unit structure:**

This qualification consists of two mandatory units:

Unit 01: Develop techniques for performance

Unit 02: Rehearse and perform

And two optional units

Unit 03: Performing arts production process

Unit04: design for performance

And one additional unit:

Unit 05: Working in the performing arts industry

**Assessment structure:**

To be awarded the level 2 certificate in Performance skills learners must successfully complete 2 mandatory units and 2 optional units. Learners can choose to take the optional unit for extra credit but it will not contribute to the credit value of this certificate. This certificate is not graded.

The units are internally assessed and students make a portfolio of evidence to demonstrate they have achieved each learning outcome.

There must be an internal modification procedure and units will be externally assessed.
