

DESTINATIONS

21/22 cohort	Number of students	% of cohort
Employment	1	2%
Education or Training (external)	36	56%
Education or Training (internal)	27	42%
NEET	0	0%

Every student who left last year has progressed on to further education, training or employment for a third successive year. The majority of students gained places on FE courses at local providers including New City College Redbridge and Epping, Waltham Forest College, Sir George Monoux College and Big Creative College studying a range of courses including Public services, Business, Sports coaching and Criminology. Many students stayed on at BBIH to study a variety of GCSE and vocational courses.
